To create new Candidate accounts, **log in to your Agency account first.**

Agency account: You can track current tasks with a TODO list on the left.

The screenshot shows a web interface for an agency account. On the left, there is a 'To-Do' sidebar with a red header and two items: 'Your applications for October 2018: 2 New' and 'Add prospective student account'. The main navigation bar includes 'Home', 'Student Accounts', '+ New Student', and 'Agency Accounts'. The main content area is titled 'Agency account' and contains a paragraph of instructions: 'You can manage all your student applications from this page. Below, you will find a list of all your Agency's applications. All current tasks related to specific applications are listed in the To-Do column. To manage the student's account, use the MANAGE button. You can contact us anytime: International Office for application status and documents related questions or Website Support for technical issues. You can access these addresses from the Help link above. To create a new student account, click here.'
